## People of all ages can train for a career in the construction industry. We are enrolling now at our newly refurbished construction training facility at Montagu Road, Edmonton

---

At our CIS Training Centre we give you:

**The qualifications that employers want** – City & Guilds, Construction Award Alliance (CAA) are recognised by contractors and employers in both the public and private sectors

**An initial assessment** – so your training and support will match your needs

**State-of-the-art classroom facilities** like interactive computerised whiteboards

**Options for help with literacy and numeracy skills** alongside your practical training

### **Aged 16 to 18?**

You may be able to claim the Education Maintenance Allowance (EMA) of £30 a week when you train with CIS. Ask for more information when you call.

### **Your study options**

Courses run for two or four days a week depending upon the level at which you

wish to study. We can discuss and agree this with you when you come along for an assessment. These courses lead to either a Level 1 or a Level 2 in your chosen trade.

### **Aged 16 to 18?**

Join our short access course with a guarantee of progression onto a Level 1 training course in your chosen trade on completion.

### **Aged 19+ and unemployed between 6 and 12 months?**

Join our Introduction to Construction course and progress onto a full Level 1 course of your choice on completion. Speak to your Jobcentre Plus Adviser quoting '*LMS Opportunity Reference RMF15670*'

### **Aged 19+, unemployed less than 6 months, or more than 12 months?**

Contact us by telephone to book an appointment or drop in to discuss your options for training with us.
