

Apprenticeships Intermediate Maintenance Operations

The College of
Haringey, Enfield
and North East London

An Apprenticeship in Maintenance Operations will be working in domestic and commercial premises, to given specifications, repairing or renewing wood products, plumbing, wall and floor tiling, decorating, bricklaying and plastering, depending upon the routes taken in the qualification. The apprentice will develop skills and gain valuable experience for a variety of routine plumbing related activities. Learners will work in a construction environment where their duties could encompass many areas of plumbing, such as installing sanitary ware.

Location

One day a week at our Tottenham Centre or Enfield Centre and the rest of the time working closely with an employer.

Average Duration: The apprenticeship runs for 24 months

Course Information

The Intermediate Maintenance Operations Apprenticeship is made up of a framework which includes:

- Maintenance Operations Diploma Level 2
- Maintenance Multi-trade Repair and Refurbishment Diploma NVQ Level 2
- Maths Functional Skills Level 1
- English Functional Skills Level 1
- Employment Rights and Responsibilities

Progression

Learners may progress on to Advanced Apprenticeships in specific industry related trade/crafts

Apprenticeships Intermediate Maintenance Operations

The College of
Haringey, Enfield
and North East London

Assessment

The apprentice is expected to attend college to attain knowledge, training and complete online exams. In addition, they will also be trained by the employer, which is then assessed by college assessors and put together in an online portfolio.

How to apply

You can apply through the college application. Once you have applied to the college, you will be invited for an interview at the college and also with the potential employer.

Entry qualifications

Applicants will be assessed and interviewed to demonstrate that they are able to cover the range required by the relevant NVQ at work. In addition, the apprentices are expected to carry out initial assessments in English and Maths where they would be expected to ideally achieve Level 1 in both subject areas. If an apprentice has GCSE then they do not have to do functional skills as a part of the apprenticeship.
